

COOK COUNTY COMMISSION ON SOCIAL INNOVATION

**HARRY
ALSTON
JR.**

Harry Alston, Jr., Ph.D. has a diverse and extensive work experience. Harry Alston is currently the Vice-President of the Strategic Planning and Development where he spearheads fund development and model program development, strategic planning, process & productivity improvements, and collaborating with the Technology team to bring technology solutions to address agency business. Areas under his leadership include Marketing and Communications, Quality Assurance, the development, implementation, and marketing of the Safer Return (SR2.0) Virtual Reentry platform and Learning Management System, Justice-Involved Veteran's Program and Professional Services. Significant accomplishments include development and implementation of the new agency website, completion of agency strategic technology assessment, and achieving a fund development capture rate of 72% and revenues of over \$24 million.
